

Preparing your Domain to transfer from Network Solutions

Getting Started

Before you can transfer a domain:

- **Disable** domain privacy. If the privacy service forwards incoming email, check the 'forward to' contact email address for accuracy.
- **Confirm** your administration email address in the domain registry records.
- **Verify** that the domain is unlocked.
- **Obtain** the domain's transfer authorization code (also referred to as an EPP or auth code).

Note: Registrar rules vary. Your domain may not be transferable within 60 to 120 days of registration, a previous transfer, or renewal.

Your account

- Go to: networksolutions.com
- You will need your account login userid and password.
- If you do not have your account details, you will need to contact networksolutions.com. Support information is on their website.

Step 1: Click Manage Account.

Step 3: Under **Your Services**, click **Manage It** for your domain name.

The screenshot shows the Network Solutions Account Manager interface. At the top, there is a navigation bar with 'AccountManager', 'Manage', 'Shop', 'Renew', and 'Support' links, along with a search box. A user greeting 'Welcome Sally Smith! Log Out' is visible in the top right. On the left, a sidebar menu includes 'Updates & Alerts', 'Profiles & Accounts' (with sub-links for User Profile, Accounts, View/Edit WHOIS Contacts, and Billing), 'Renewal Center', 'nsWebAddress (Domains)', 'Business Profiles', 'Help & Support', and 'Special Offers'. The main content area is titled 'Updates & Alerts' and features a 'Set Up Services' alert box with a table of product descriptions and a 'Go >>' button. Below this is the 'Your Services' section, which lists '1 Business Profile' and '1 Domain Name', each with a 'Manage It' link. To the right of 'Your Services' is a 'Quick Links' section with buttons for 'View All Services >>' and 'Open a Help Ticket >>', and a list of links including 'View Support Requests', 'Change Password', 'Update Contact Information', 'Update Billing Information', and 'WHOIS Search'. A footer area contains a 'Welcome to the New Network Solutions Learn More' message and a 'Tell us how we're doing!' survey prompt.

Add Products and Services

Add E-mail to this domain:	\$20.00 a year per e-mailbox Get an E-mail address for this domain name such as you@misteranchovy.com	<input type="button" value="Select"/>
Add Web Forwarding to this domain:	\$12.00 a year Long, confusing or multiple Web addresses? Create a single destination with Web Forwarding with Masking and forward this domain name to any Web site.	<input type="checkbox"/>

Step 5: Select the radio button next to **Turn Private Registration off**. Click **Go**. You will be returned to **Domain Details** page.

Domains

Edit Private Registration

Network Solutions feels strongly that personal information should be kept private. When you register a domain name, ICANN requires that your address, e-mail and phone number are published in the public WHOIS database which is available for anybody to view on the web. Private Registration hides your personal information from public view and keeps your information private.

Step 6: Update Contact Information.

This step ensures that you will receive all notifications for your transfer request. Click the plus sign next to **Profile & Accounts**, and then click **User Profile**. If the Email address in the User Profile is not correct, click **Edit User Profile**.

The screenshot displays a web interface for managing user profiles. On the left is a navigation sidebar with categories like 'Updates & Alerts', 'Profiles & Accounts', 'Renewal Center', and 'Special Offers'. The main content area is titled 'Profiles & Accounts' and contains a 'User Profile' section. This section is divided into two parts: 'User ID and Password' and 'User Profile' details. The 'User ID and Password' part shows the user ID 'registrarresearch1' and a masked password '***', with buttons for 'Edit User ID/Password' and 'Merge User IDs'. The 'User Profile' details part lists personal information such as name, address, city, country, email, phone, and NIC handle, along with a 'Show settings' link for privacy. At the bottom right of the profile details are buttons for 'Change Name' and 'Edit User Profile'.

Step 8: Click **Go to Account Manager Home**.

The screenshot displays a web interface with a dark grey header and a light green sidebar. The header contains the text "Profiles & Accounts". The sidebar lists several menu items: "Updates & Alerts", "Profiles & Accounts" (with a minus sign icon), "User Profile", "Accounts", "View/Edit WHOIS Contacts", "Billing", and "Renewal Center". The main content area shows a message box with the title "User Information Updated" and the text "User information has been updated." Below this message is a blue hyperlink labeled "Go to Account Manager Home".

[Go to Account Manager Home](#)

Step 9: Click **View/Edit WHOIS Contacts** under **Profiles & Accounts**.

The screenshot shows the Network Solutions AccountManager interface. At the top, there is a navigation bar with 'AccountManager', 'Manage', 'Shop', 'Renew', 'Support', and a search box. A user greeting 'Welcome Sally Smith! Log Out' is visible on the right. The left sidebar contains a menu with 'Updates & Alerts' (expanded) and 'Profiles & Accounts' (collapsed). Under 'Profiles & Accounts', the following options are listed: 'User Profile', 'Accounts', 'View/Edit WHOIS Contacts', and 'Billing'. Below this, there is a 'Renewal Center' section with links for 'nsWebAddress (Domains)', 'Business Profiles', 'Help & Support', and 'Special Offers'. At the bottom of the sidebar, there are two boxes: 'Welcome to the New Network Solutions Learn More' and 'Tell us how we're doing!'. The main content area has a 'Updates & Alerts' header and a 'User Guides' link. A prominent yellow alert box titled 'Set Up Services' contains a table with columns 'Product Description', 'Status', and 'Action Required'. The table entry states: 'Business Profile includes: Instant Web page, Local directory listing' and 'One or more of your Business Profiles have not been published. Click Here to get started.' with a 'Go »' button. Below the alert, there are two sections: 'Your Services' with a 'View All Services »' button, showing '1 Business Profile' and '1 Domain Name' with 'Manage It' links; and 'Quick Links' with an 'Open a Help Ticket »' button and links for 'View Support Requests', 'Change Password', 'Update Contact Information', 'Update Billing Information', and 'WHOIS Search'.

[Make These Domains Private - Add Private Registration](#)

Step 11: Select the radio button next to **WHOIS Administrative Contact**. Click **Go**.

The screenshot shows a web interface with a dark grey header bar containing the word "Domains" in white. Below the header is a white box with a grey border titled "Edit WHOIS Contact". Inside this box, the text "Which contact(s) do you want to change:" is followed by three radio button options: "WHOIS Administrative Contact" (which is selected), "WHOIS Technical Contact", and "Both". At the bottom right of the form are two buttons: "Cancel »" and "Go »".

Step 12: Select the radio button next to **Yourself**. Click **Continue**.

The screenshot shows a web interface with a dark grey header bar containing the word "Domains" in white. Below the header is a white dialog box titled "Edit Account Contacts". Inside the dialog, the text "Current WHOIS Contact: Smith Inc." is displayed above a horizontal line. Below this, the text "Replace current contact with:" is followed by four radio button options. The first option, "Yourself", is selected with a filled radio button. The other three options are "Another person you select with access to this account", "Another person you select by entering a valid NIC handle", and "Another person you select by entering a valid User ID", all with empty radio buttons. At the bottom right of the dialog, there are two buttons: "Cancel »" and "Continue »".

Your Authorization Code Request

Dear Bob Smith,

We received your authorization code request on 2009-11-18 for your domain name MISTERANCHOVY.COM.

Your authorization code is: 234K2093Y

The authorization code is case sensitive; please copy and paste it to ensure accuracy.

You are now ready to transfer your domain.
